<sup>1</sup>We have a situation of the "ghostwriting" if someone has made a substantial contribution to a given publication, without disclosing his/her participation as one of the authors and without mentioning his/her role in the acknowledgments of the publication. We have a situation of the "guest authorship" ("honorary authorship"), if the contribution of a given author is minimal or does not have a place, and in spite of this he/she is the author or co-author of a given publication (Ministry of Science and Higher Education, [http://www.nauka.gov.pl/g2/oryginal/2013\\_05/0edb568f6e4af6f949f0062164019872.pdf](http://www.nauka.gov.pl/g2/oryginal/2013_05/0edb568f6e4af6f949f0062164019872.pdf)).
